This week we learned that ministry work is not just about doing a job in the parish. It is about performing a service that helps extend God's love to members of the parish. The best way to do this is to find a ministry that allows you to use the gifts that you have received from God. For instance, ushers have a special gift of hospitality; lectors have a love of the Scripture and a desire to share its message; the choir has a gift of music.

1. Think about the special gifts that you have. Pick one that you think you can use to help spread God's love. Describe this gift.

2. Now think about the ministries at Queen of All Saints. You can check the website – qasrcc.org – to read about more of them. Which ministry could you join to help you use that gift in the service of God? If you can't think of one, what ministry could you start that would enable you to use this gift? Describe the ministry and explain how your gift makes you a good fit.
