

Our Lady of Grace Church – Mass Intentions and Memorial Gifts Requests Online

In response to the "work at home" mandate by Bishop DiMarzio, and elected state officials, the OLG Rectory office has been closed. Typically, when a Mass Intention or Memorial Gift was needed, parishioners would come to the Rectory to make their request. During this time of pandemic, parishioners have instead called the Rectory leaving a voicemail in regard to their request. While this process has been working fine, it sometimes takes a few days before the process is completed.

Now, through the efforts of a number of people, this request process is also available online at the OLG website. A simplified form has been created. The form can be accessed on the parish website at <https://olghb.org> using the "Mass Intentions & Memorial Gifts" option.

Here's how it works:

- Mass Intentions or any available Memorial Gifts the parish offers can be requested and paid for online.
- The form lists all options currently available, a simple explanation of each option, and the associated cost.
- Mass Intention cards, or folders, can be mailed directly to a street address for an additional nominal fee.
- The form requires the contact name and telephone number of the person making the request, just in case a follow-up discussion is necessary.
- An acknowledgement email will be sent, confirming the request, once it has been successfully submitted.

Please consider using this simple and easy alternative while the Rectory staff continue to work remotely.

Thank you! God's continued blessings upon you and your family!
